About a year ago we lost our mom, Michelle Heacock, to PSP (Progressive Supranuclear Palsy) which is a progressive and currently incurable neuro degenerative disease that rapidly affects both cognitive and motor skills. Our goal is to bring awareness to PSP while also raising money for the valuable research that may help others in the future. To honor our mom, we hope to throw one great party at the same time.

We will be hosting Michelle’s Mixer to CurePSP on Saturday November 9th from 7-11pm at St. Katharine of Siena’s gym in Wayne, PA. This is going to be a fun night of music, food, drinks, raffles and plenty of laughs.

We are hoping that you, or your business, would like to get involved in helping make this night a huge success and raise money for the CurePSP organization (www.psp.org). Whether it’s helping to sponsor the event, donating items or services that can be raffled off, either on their own or included in one of our theme baskets, or simply joining us at the event for a good time. Our hope is to get as many people involved as possible so that our impact, and that of our mom, Michelle, will be far reaching. If you would like to participate in one of the above ways or perhaps in another way we have not thought of, please fill out the registration form below and mail it to the address provided or email us and we can help you donate electronically. If you are interested in donating items for the raffle, we will gladly pick them up at a time that is convenient for you.

We watched our Mom help so many people in many different ways, both big and small, during her shortened life. She did it selflessly and always with a smile on her face, looking for the good in all people and situations. This is our way of honoring her and her legacy of helping others as we look to CurePSP. We look forward to hearing from you.

Thank you,
David, Christine, Michael and Shannon Heacock
